

the FORUM

DEMO • SAMPLE • SELL

The Forum is the **VERSATILE, PORTABLE & DURABLE** display system, ideal for short or long term events. The Forum features a **HEADER** that towers above the crowd, three message holding walls and a tray that also accepts a graphic.

GREAT LOOKS combined with **UTILITY** sets The Forum apart. A handsome curved front, tapered sides and generous tray space, with plenty of off the floor storage.

GRAPHICS can be permanently mounted to the polypropylene walls and tray or velcro attached to accommodate simple graphic changes.
