

**BIG THINGS**  
do come in small packages!

1

**Remove your portable display and accessories from the case.**

2

**Simply set up the flexible tambour around the case and lid, then slide in the connector to secure the tambour. Then fit the top on.**

3

**You are ready to go!**

4

**With printed graphics or a fabric wrap, the Little Giant is a slick addition to your display.**

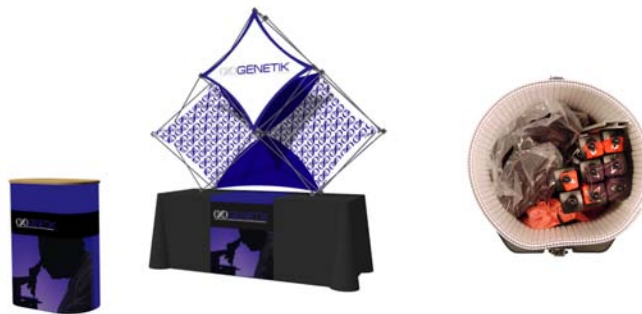

**The best part is that you will be surprised to see how much display fits in your Little Giant.**

**Be on the look out for a variety of Little Giant case-to-counter kits coming soon!**
