

Outdoor Event Products

The Alfresco is specially designed for outdoor use. The banner stand structure and graphic are constructed to withstand most weather conditions. The Alfresco has a lightweight tank with an easy fill opening for water or sand. The durable, click-stop mast provides a secure, balanced structure that sets up in minutes and stays put.

The Banshee kinetic banner system is designed to be used indoors or out in most weather conditions. Six unique shapes give you a variety of options. The graphic rotates, swivels and bends for use in strong winds, handling gusts from any direction!

The simplicity of the Base Line system is its greatest appeal. Features easy set-up and three graphic attachment styles as well as an inexpensive aluminum A frame.

Applications:
 Sporting events
 Directional signage
 High traffic areas
 Indoor/Outdoor

Features:
 Easily transported
 Supplied Carrying bag
 No tools required
 Includes six stakes

BIG BANNERS

Grand format banners seamless up to 118"x540" or seam together to make much larger monster banners.

BLVD BANNERS

Boulevard Poles are used for single or double-sided street banners and signs that are typically installed on light or electric poles.

DIRECTORS CHAIR

Enhance the look of your exhibit by adding Director's Chairs that display your message. Create an environment that promotes interaction between attendees and exhibitors. You can personalize a Director's Chair with a company logo or sales message to match any display. With Director's Chairs your customer will feel welcome, relax within your environment and stay in your booth longer to hear about your company and products.

Outdoor Event Products

Event Tent™

The Event Tent is an inexpensive classic canopy-style tent and can be used indoors or out to promote your event. It pops up in minutes for maximum visibility and shelter.

Applications:

Fairs and Festivals
Sports Venues
Use as shelter
Indoor/Outdoor

Features:

Waterproof material
Finished frame
Easy two-person set-up
No tools required

Kapow is a great product for quick and easy outdoor advertising. Your eye catching graphics on the Kapow's two sided A-frame design will grab your audiences attention in both directions. The unique design of the Kapow makes transportation and assembly simple. The carry bag is the base of the display. Just unhook the graphics from the base, collapse them and put into the circle carry bag and go.

MediaScreen 2 AWD

The Media Screen 2 AWD (All Weather Display) is a double-sided unit tough enough for outdoor weather conditions.

Applications:

Sporting events
Fairs and festivals
Concert events
High traffic areas

Features:

2 padded storage bags
Retractable graphics
Heavy duty base
Spring supported mast

Outpost™

The Outpost is a heavy duty outdoor double sided display. It features a tool-free assembly and rugged aluminum steel construction. The dual spring design flexes to help withstand wind gusts. The base can be filled with water or sand for extra stability and has wheels for easy installation and evening storage or for moving indoors after hours. The Outpost is a great display for indoor and outdoor events.

PATH MARKERS

Path markers are great for lining the perimeter of walkways and high traffic outdoor areas. Use as directional, registration, branding or accents at any of your events.

Rally Banner™

The Rally Banner is designed for outdoor banner displays. The graphic is attached to the frame with multiple secure connections for greater stability. With the ability to adjust the height up to 16' your audience will notice your message from great distances at your next event.

Outdoor Event Products

Ridgeline™

The Ridgeline is an effective message or branding carrier and a super outdoor space definer that can be used to attract attention at any indoor/outdoor event.

Applications:

Corporate outings
Space definition
Sporting events
Directional signage
High traffic areas

Features:

Unique shape
Easily transported
360° visibility
Spring construction
No tools required

Skyblade™

Sky Blade is a lightweight and portable flag stand perfect for outdoor events. It is designed to hold up in high winds and has a weighted base and ground stake.

Applications:

Golf outings
Beach branding
College/universities
Directional signage

Features:

Three heights
Easy to transport

STREETTAG

StreetTags are temporary stickers/decals designed to adhere to asphalt, sidewalks, concrete and other outdoor surfaces. StreetTags are printed on a special material that easily adheres to most types of outdoor surfaces.

Applications:

Fairs and Festivals
ATM locators
Political Statements
Guerrilla Ads

Features:

Up to 54" wide
Stays stuck in rain/snow
Easily peels up
Leaves no residue

TABLE THROWS

Table Throws are a complete line of products. With nine styles available, 6 ft and 8 ft sizes, economy and full, you can add any company logo or message to give your customer the professional look they strive for. The Poly twill fabric meets NFPA 701 small-scale fire retardant standards.

VALET

Easy to move and set up anywhere, the Valet is great for corporate environments, trade shows, expos and events! The dual hinged display is sure to capture attention!

VALET360

Full Fabric Cover Option

When you need more advertising real estate, this highly effective fabric cover is the answer. It allows you to utilize all four sides of the Valet, giving you the advantage of 360° of advertising. The sturdy fabric cover is durable enough to wash and gives you a fresh display at all your future functions.

Window Perf

Solv- it! Window Perf is ideal for exterior-mount window graphics. The print area of 65/35 means you get 65% of your image retained with only 35% perforation. Solv-it! Window Perf has a gloss surface and displays text and small details to help catch your audience's eye.
