Full Size Throws- seamed and hangs to the floor on all four sides	6' Full - 128" w x 86" h	8' Full - 152" w x 86" h

{ in stock fabric colors }

Why do two colors, put one next to the other, sing? Can one really explain this? no. ~ Pablo Picasso

Care Instructions

The table throws can be machine washed cold or warm. Do not use bleach. Tumble dry on a low setting but the dryer should not exceed 120 degrees. Remove immediately to prevent wrinkling. Do not iron directly on logo, only iron on the backside of the image.

{perma logo vinyl colors}

{perma logo}

Art is not made for anybody and is, at the same time, for everybody.
~ Piet Mondrian

Perma Logo is a computer cut vinyl material, commonly used on sports uniforms, such as football jerseys. The vinyl is transferred to any standard color twill table throw with a high temperature heat press. The vinyl is permanently adhered and will not peel, crack, or fade. The maximum logo size is 45”w x 25”h. It can be washed and ironed. Please refer to our Perma Logo vinyl swatch cards for available vinyl colors. Additional Perma Logo vinyl colors may be available – please call if you do not find the color you need.

{dyesub applique}

This great, low cost alternative is produced by creating a dye sublimation image which is profile cut and permanently adhered to any standard color twill table throw with an industrial 3M fabric adhesive. It can be washed and ironed. It is a great solution for government and university seals, complex corporate logos or any photo image with defined edges. Logos/text with extremely complex outlines are not available. The maximum logo applique size is 45”w x 25”h.

Perma Logo and Dye Sublimation Applique Combination - If your artwork consists of text and a complex logo or image, this combined process is perfect. The text is applied as a Perma Logo and photographic images, color gradations, or complex logos are printed as a Kaleidoscope Dye Sublimation applique. The applique is profile cut and then applied to the throw using an industrial 3M fabric adhesive.

Flocking is a computer cut vinyl material with a felt like texture, commonly used on sports uniforms, such as football jerseys. It is transferred to any standard color twill table throw with a high temperature heat press. Flocking is permanently adhered and will not peel, crack, or fade. The maximum logo size is 45”w x 25”h. Throws with Flocking can be washed and ironed. Available flocking colors are black, white and maize. Additional colors** are available for special order.

* PMS COLORS ARE APPROXIMATE MATCHES. PRINTED COLORS IN THIS CATALOG ARE APPROXIMATE FOR BEST MATCHING RESULTS REFER TO YOUR PMS COLOR BOOK. Colors Prepared Feb. 2009. Color choices are subject to change at the manufacturer level without prior notice.

** Special order colors will add 5-7 business days for production.

{compass}

{full front dyesub}

One of the most unique display stands to come around in a long time, Compass is truly special. Four practical rectangle graphic sizes are mounted to a variable height telescoping mast. The banner-to-mast mount is an innovative hub that allows the banner to rotate at different angles as well as tilt up or down.

Well made, easy to use and aggressively priced the Compass banner stand is an incredible value. Versatile and unique no other banner stand combines tilt/rotate to create dynamic backwalls, serve as a table top header (behind the table) and is perfect for floor-standing product backwalls ...

Compass does it all!

This standard dye sublimation table throw is comprised of a full length front dye sublimation piece seamed to any standard color fabric with a resulting full size or economy throw. The hem falls at the front edge of the table such that the dye sublimation image is on the entire front of the throw. The size of the dye sublimation portion is 128" w x 28" h for a 6' throw and 152" w x 28" h for an 8' throw. It is recommended to keep nonbleed text or logo images 1.5" from top and 1.5" from bottom. Dye sublimation throws are produced on white twill only. For any configuration other than the above, please call for a quote.
